Menheniot Primary School

Dear Parents,

I hope that you have had a good week.

Thank you to everyone who attended the parent -teacher meetings this week. I hope that you found them informative and useful.

On Wednesday, the Year 3s and 4s had an enjoyable visit to the church for the Experience Harvest event. During this event they learnt about different types of Harvest including harvest from the earth, harvest from the garden, harvest from the sea and harvest from the flock. Activities included making pots, finding out about making bread, looking at seeds, making origami boats and weaving. Thank you to Rev Li and all her volunteers for such a well organised event. We would also like to say a big thank you to all our parents who are involved in farming and food production.

Wishing you all a lovely half term holiday.
